Primordially pure, glorious gentleness manifesting as the illusory display of vajra wisdom, all-pervasive, unchanging, ever-excellent, wish-fulfilling jewel of the mind, Essence of the mind of victorious ones perfecting the ocean of sutra and tantra without exception, I bow to the ultimate Guru of rigpa-emptiness overpowering through the great seal all animate and inanimate phenomena.

On the ground of the vast expanse of the world beyond centre or limits, Through the appearance of the dawning of the new sun of auspiciousness-

The beginning of the wheel of the twelve signs—the Year of the Metal Rat. We pray for the blossoming of the thousand petals of happiness and goodness.
